Burnsville, MN (PRWEB) December 4th, 2008 - French Nugget Company, a maker of Gourmet French Chocolate Treats, is announcing that its chocolate products can now be purchased on-line at its website www.frenchnugget.com . The gourmet chocolate snacks are available in three flavors: *Almond Heaven, Peanut Delight, or Oatmeal Dream*. The product can be ordered as individually packaged treats or in attractively packaged gift sachets with free shipping.

The French Chocolates are made of all-natural ingredients with no refined sugar or artificial ingredients. Inspired by the delicacies of Southern France, French Nugget is a high quality dark chocolate product made from only four or five all-natural ingredients: 100% unsweetened dark chocolate, raisins, honey and a choice of almonds, peanuts or oatmeal/walnut.

“It took many months of research and testing to get the natural product that I was looking for.” Said Fereidoon Golchin, founder and CEO of French Nugget Company. “We believe that people who appreciate the finer things in life will love these unique chocolate snacks. They can be practical healthy snacks to take hiking, or they can make elegant gifts for any occasion.”

The French Nugget Treats are available as gluten free. Fereidoon is gluten intolerant so it was important for him to create a tasty gluten free snack. Since only pure, all-natural ingredients are used, one can feel assured that they will only be eating the ingredients listed on the package. Those with the most discerning dietary needs will greatly appreciate this product.

The French Nugget Company is a privately owned company based in Burnsville, Minnesota. French Nugget Treats are also available in a number of specialty shops throughout the region. For more information, please go to the website www.frenchnugget.com.
